文化交汇融通

Magnificent Charms of Books along the Belt and Road,
Where Cultures Intersect and Integrate.

一带一路 文化先行

不同国家间的文化交流与合作在全球化背景下发挥着越来越重要的作用，也体现着不可忽视的力量。在中国的倡议下，“一带一路”沿线国家在文化交流、文化互鉴、合作共赢方面达成了共识。

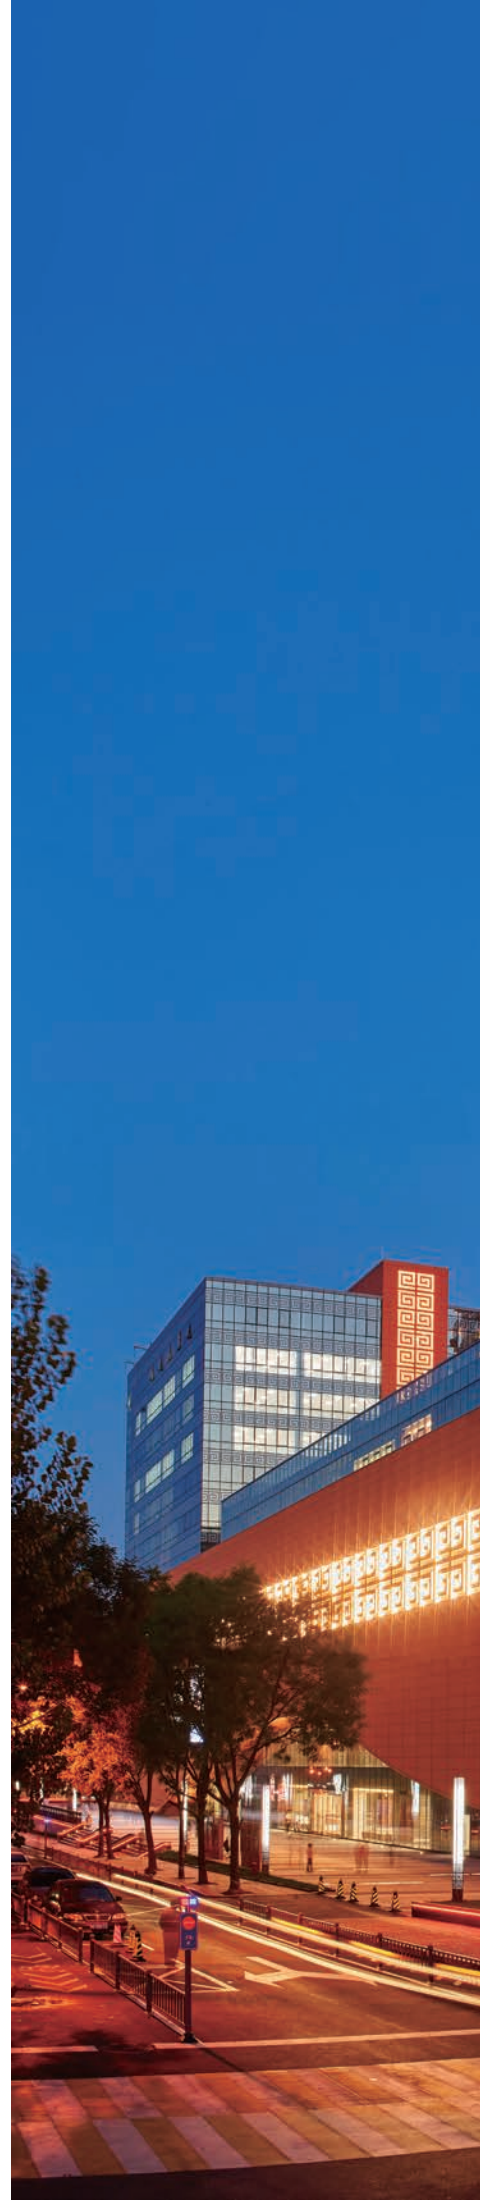

“一带一路”文化是沿线各国、各地区共同的文化记忆和文化符号，使不同文化背景的各国间交流更为密切，为各种优秀文化的传播提供了途径，也为文化产业跨越国界开辟了道路。

出版业作为文化产业的关键部分已经成为沿线国家文化交流的先行军，其中图书资源的版权贸易则是最具成效的集中体现。正是基于“一带一路”沿线国家间版权贸易及国际出版行业的交流、合作与创新的需求，“‘一带一路’图书版权贸易洽谈会”应时而生、应势而行。

Cultural exchanges and cooperation between different countries are playing an increasingly significant role in a globalized world, one that is too important to be ignored. The Belt and Road Initiative put forward by China has created a win-win situation for the countries along the Belt and Road, which agree that the initiative will bring great benefits to all for connectivity and cooperation in cultural exchanges and integration.

The cultures of the Belt and Road countries and regions are a shared cultural memory and commonly appreciated signifier. They enable closer exchanges among the countries with different cultural backgrounds by providing necessary means to promote their own distinct cultures. As such, they have also paved the way for cross-border cultural production to emerge.

The publishing industry, as a key component of the “culture industry” in general, is taking the lead in the transmission of cultural production among the Belt and Road countries and regions. Arguably, book and copyright trade is the most effective form of such transmission. The Belt and Road Book Fair takes place as an enthusiastic and logical response to the rising need for the exchange, cooperation, and innovation in international book and copyright trade among these countries.

山东省省会——济南
Capital of Shandong Province—Jinan

济南，南依泰山，北临黄河，拥有 4600 多年文明史和 2600 多年建城史，是融“山、泉、湖、河、城”于一体的国家级历史文化名城。

济南是山东省的省会。在这座美丽的城市里，全年自然、不间断喷涌的泉水达数百处，最著名的当属以“天下第一泉”享誉世界的趵突泉为代表的 72 名泉。神奇的大自然在这里造就出“泉水之城”的旷世奇观，使济南成为世界城市中极为罕见的“泉城”。

清冽甘美的泉水是济南市的血脉，赋予这座城市灵秀的气质和旺盛的生命力。众泉汇流而成的大明湖，与周围的千佛山、五峰山、灵岩寺等构成了“一城山色半城湖”的独特风光。

Located to the north of Mount Tai and the south of the Yellow River, Jinan has more than 4,600 years of civilization and a history of over 2,600 years as a city. It is a nationally renowned ancient city of cultural heritage, best known for the spectacular beauty of “mountains, springs, lakes, rivers and antiquated towns”.

Jinan is the capital city of Shandong Province. In this beautiful city, there are hundreds of natural springs that flow all year round, the most splendid of which are, of course, the “72-Famed-Springs”, best exemplified by the world-famous Baotu Spring, which is extolled

as “The Best Spring under Heaven.” Mother Nature has created

an amazing natural wonder of a “city of springs”,

making Jinan one of the world’s fabulous

cityscapes of spectacular

springs.

Crystal clear and

delicious springs are the

veins of the city of Jinan,

endowing the city with an

enchanted temperament

and exuberant vitality. Daming Lake,

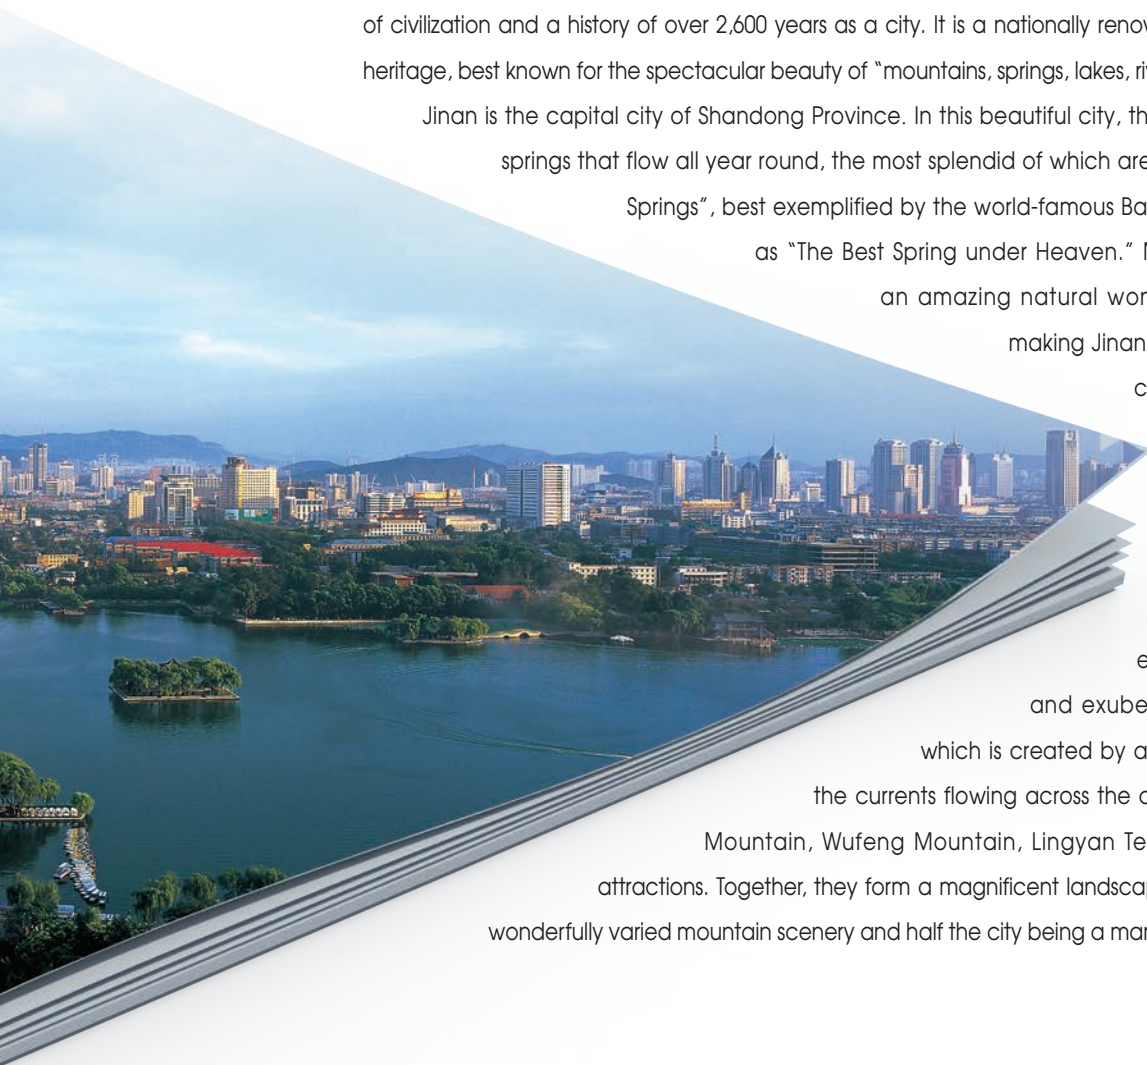

which is created by a marvelous convergence of

the currents flowing across the city, is surrounded by Qianfo

Mountain, Wufeng Mountain, Lingyan Temple, and other landmark

attractions. Together, they form a magnificent landscape of “the whole city having

wonderfully varied mountain scenery and half the city being a marvel of beautiful springs”.
